A LITTLE ABOUT ME

Hey! Nice to meet you, I'm Vitor and I'm 26 years old.
I'm from Brazil and I was born in a small town
from Rio Grande do Sul, called Quarai.

When I was 14, I started to get to know the world
of Photoshop, I would creat "memes" and posts
for a website I had with a friend.

Some years later, I decided to graduate
in Communications and Advertising
and started to work as an art director
in the motion design area (aka 2D animation).

Currently I'm graduated and I'm specializing in the
2D animation area, because I really identified with it.

During my free time, I like to travel with my backpack,
my tent and a sign asking for hitchhikings.
HITCHHIKING? Yep! I already traveled about
10.000km in Brasil and Europe.

Thanks to that, I can easily connect with people
and I also have a lot of stories to tell.
